Winter Holidays - December 23, 2008-January 1, 2009???

~~GENERAL INFORMATION~~

Lesson Registration

Lesson registration is available during regular office hours, 8:30 am- 8:30 pm, by phone or in person.

Payment is due at the time of registration.

Private or Semi-Private Lessons

Are an option available to fulfill a special need that group lessons may not be able to accommodate. These lessons are great for students who may need extra help on a specific skill or for adults of any level.

Water Exercise

Both men and women find enjoyment and success in classes that are designed to accommodate the beginner through advanced levels with low impact exercise. **Water Exercise** will improve cardiovascular fitness, body balance and overall coordination. Exercising in the water is a great way to start a fitness program or stay in shape without the strain and stress that land aerobics can have on our bodies.

Shallow water, no swimming required.

Deep water uses flotation, must be comfortable in deep water.

Want to become a Lifeguard or a Swim Instructor??

Come in and sign up on our waiting list.
We will call you when the next class is available.
We provide opportunities for many certifications such as CPR for the Professional Rescuer, Standard First Aid, and Water Safety Instructor.
Classes provided as needed upon requests.

Clubs

Rainier Foothills Swim Team (RFST)
A USS competitive swim team for all levels, from pre-competitive to Masters. Open to any swimmer who is above a Youth Level 5 swimming ability.
Call 360-825-7591 for more information.
